Alternatively, the Members may also write an e-mail to the Company at www.agroeggs.in for any queries/ information.

INTRUCTIONS TO SHAREHOLDERS FOR REMOTE E-VOTING

- 1. The voting period has already been given above to cast their votes electronically. The e-voting module shall be disabled by Bigshare for voting thereafter.
 - i. Shareholders who have already voted prior to the meeting date would not be entitled to vote at the meeting venue.
 - ii. Pursuant to SEBI Circular No. **SEBI/HO/CFD/CMD/CIR/P/2020/242 dated 09.12.2020**, under Regulation 44 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, listed entities are required to provide remote evoting facility to its shareholders, in respect of all shareholders' resolutions. However, it has been observed that the participation by the public non-institutional shareholders/retail shareholders is at a negligible level.

Currently, there are multiple e-voting service providers (ESPs) providing e-voting facility to listed entities in India. This necessitates registration on various ESPs and maintenance of multiple user IDs and passwords by the shareholders.

In order to increase the efficiency of the voting process, pursuant to a public consultation, it has been decided to enable e-voting to all the demat account holders, by way of a single login credential, through their demat accounts/ websites of Depositories/ Depository Participants. Demat account holders would be able to cast their vote without having to register again with the ESPs, thereby, not only facilitating seamless authentication but also enhancing ease and convenience of participating in e-voting process.

PRESENT POULTRY SCENARIO & REVIEW OF PERFORMACE AND **OPERATIONS**

The Indian poultry market is experiencing significant growth at a projected CAGR of 8.1% between 2025 and 2032 with the expectation of continued expansions during 2024-25. The egg market driven by the factors like rising incomes, urbanization and changing dietary preferences towards protein rich food. According to Care Edge Ratings India is a leading egg producer with an annual production of 144 billion eggs by ranking 2nd in global egg production and expected to be 190 billion eggs by 2030 propelled by commercial layer capacity expansions in Tamil Nadu, Andhra Pradesh, Telangana, U.P. and Bihar. Eggs are considered to be an affordable quality protein food for the eradication of mal nutrition in the country and acceptable to almost all sections of society. Poultry is a huge employment provider specifically to small and marginal farmers in rural India. It is a key sector in agriculture for the increase of farmers' income. Poultry future is promising with the increase in the per capita consumption of eggs year by year in the country. Present per capita consumption of 103 eggs will increase to NIN recommended 180 eggs in the near future.

There's also a growing focus on value-added egg products like liquid eggs, egg powder, and ready-to-eat egg preparations, catering to the demand for convenience and diverse culinary applications. Furthermore, the market REX seeing a push towards sustainable practices, with some farms exploring

Us

renewable energy sources like solar power and a growing interest in antibiotic-free and organic egg production to meet evolving consumer preferences for healthier and ethically sourced food. Government initiatives promoting poultry development and financial assistance for farmers are also playing a crucial role in market expansion.

The rise of e-commerce platforms and online grocery delivery services is also creating new direct-to-consumer channels, particularly in urban areas, offering convenience and often emphasizing freshness and traceability. Additionally, India has a growing export market for eggs and egg products, primarily to the Middle East and Southeast Asian countries.

During the year under review, your company recorded a turnover of Rs.17,851.84 lakhs as against Rs.19,752.98 lakhs in the previous year with a decrease of Rs.1,901.14 lakhs compared to last year. Your company has procured 3,696.66 Lakhs eggs against 4,102.76 Lakhs Eggs in the previous year with a decrease of 406.10 Lakhs Eggs in the current Financial Year. Your company has posted a pre-tax profit of Rs.334.91 lakhs as against Rs.324.40 lakhs in the previous year with a nominal increase of 3% profit compared to previous year.

EXPORTS & COLD STORAGE OPERATIONS

As stated in earlier years, your Company could not take up the cold storage project together with egg grading and stamping facilities with the required mechanization to encourage the export of eggs with the help of NECC and Government Agencies, due to the non-provision and registration of the required land by A P Meat Development Corporation and also cancellation of the MoU. Accordingly, the amount of Rs.21.94 lakhs received during the year 2004-05, by way of Grant and the interest accruals thereon amounting to Rs.69.14 lakhs upto the end of the current Financial Year were shown as liability to the A.P. Meat Development Corporation.

DIVIDEND

Due to the risk involvement in this unorganised sector of egg trading and any unexpected future requirement of additional working capital in the event of any slump in the egg market, and also proposed cold storage project with egg grading and stamping facilities, your Board proposes not to recommend any dividend for the year under review by retaining the entire profit as retained earnings.

INDEPENDENT AUDITOR'S REPORT

To the Members of Agrocorpex India Limited

Report on the Audit of the Financial Statements

Opinion

We have audited the financial statements of Agrocorpex India Limited ("the Company"), which comprise the balance sheet as at 31st March, 2025, and the statement of profit and loss, and statement of cash flows for the year ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March, 2025, and its profit, and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Other Information

The Company's Board of Directors is responsible for the other information. The other information comprises the Board's report including the annexures to Board's report but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements, or our knowledge obtained in the audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and those Charged with Governance for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance, and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the accounting Standards specified under section

Chartered Accountants

133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Board of Directors is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system over financial reporting in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Chartered Accountants

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Report on Other Legal and Regulatory Requirements

- 1) As required by the Companies (Auditor's Report) Order, 2020 ('the Order'), issued by the Central Government of India, in terms of sub-section (11) of section 143 of the Act, we give in the Annexure 'A' a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
- 2) As required by Section 143(3) of the Act, we report that:
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - c) The Balance Sheet, the Statement of Profit and Loss, and the Cash Flow Statement dealt with by this Report are in agreement with the books of account.
 - d) In our opinion, the aforesaid financial statements comply with the Accounting Standards specified under Section 133 of the Act, and rules made thereunder, as applicable.
 - e) On the basis of the written representations received from the directors as on 01st April, 2025 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2025 from being appointed as a director in terms of Section 164 (2) of the Act.
 - f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B".
 - g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company does not have any pending litigations which would impact its financial position.
 - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
 - iii. There were no amounts due to be transferred to the Investor Education and Protection Fund by the Company.
 - iv. a) The management has represented that to the best of its knowledge and belief, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person(s) or entity(ies), including

Chartered Accountants

foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.

- b) The management has represented that to the best of its knowledge and belief, no funds have been received by the Company from any person(s) or entity(ies), including foreign entities ("Funding Parties"), other than as disclosed in the notes to the accounts, with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.
- c) Based on our audit procedures that we have considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (a) and (b) contain any material mis-statement.
- v. The Company has not declared / paid any dividend during the year.
- vi. Based on our examination which included test checks, the company has used accounting software for maintaining its books of account which has a feature of recording audit trail (edit log) facility. Further, during the course of our audit we did not come across any instance of audit trail feature being tampered with.
- 3) With respect to the matter to be included in the Auditor's Report under section 197(16):

Further the Company has not made any investments and has not provided any loan or guarantee or security in connection therewith to any person or body corporate during the year. Hence, provisions of section

Chartered Accountants

185 and 186 of the Companies Act, 2013 are not applicable to the Company. Accordingly, paragraph 3 (iv) of the Order is not applicable to the Company.

- v. According to the information and explanations provided to us and based on our audit procedures, we are of the opinion that the Company has not accepted any deposits / accepted amounts which are deemed to be deposits from the public. Accordingly, paragraph 3 (v) of the Order is not applicable to the Company.
- vi. According to the information and explanations provided to us, the Central Government has not specified the maintenance of cost records under section 148(1) of the Act, for any of the products of the Company. Accordingly, paragraph 3 (vi) of the Order is not applicable to the Company.
- vii. (a) According to the information and explanations provided to us and as per the records maintained by the Company, the Company is generally regular in depositing with appropriate authorities, undisputed statutory dues in respect of provident fund, employees' state insurance, income tax, Goods and Service tax, cess and other material statutory dues applicable to the Company. As per the records of the Company, as at 31st March, 2025, the Company does not have any undisputed statutory dues which are outstanding for a period of more than six months from the date they became payable.
 - (b) According to the information and explanations provided to us and as per the records of the Company, the Company does not have any dues as at 31st March, 2025 in respect of Income tax, Goods and Service tax, which have not been deposited on account of any dispute.
- viii. According to the information and explanation provided to us and based on our audit procedures and our examination of the records of the Company, we conclude that there have been no transactions unrecorded in the books of account that have been surrendered/ disclosed as income during the year, in the tax assessments under the Income Tax Act, 1961(43 of 1961).
 - ix. (a) Based on records of the Company and according to the information and explanations provided to us, the Company does not have any loans or borrowings outstanding at the beginning of the year towards financial institution or bank or government or debenture holders. The Company has not taken any loans or borrowings during the year from financial institution or bank or government or debenture holders. ANNEXURE "B" TO THE INDEPENDENT AUDITORS' REPORT

(Referred to in paragraph 2(f) under 'Report on Other Legal and Regulatory Requirements' section of our report of even date to the Members of the Company)

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Act

We have audited the internal financial controls over financial reporting of Agrocorpex India Limited ("the Company") as of 31st March, 2025 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's Management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India ("the ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March, 2025, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the ICAI.

I Background

Agrocorpex India Limited is a company incorporated in India under the Companies Act, 1956. It's principal activity is trading in eggs.

II Basis of preparation and presentation of financial statements

(a) Basis of accounting

The financial statements of the Company have been prepared in accordance with the Generally Accepted Accounting Principles in India (Indian GAAP), on an accrual basis of accounting under the historical cost convention. The financial statements comply in all material respects with the Accounting standards as specified in an Annexure to the Companies (Accounting Standards) Rules, 2006 (as amended) under Section 133 of the Companies Act, 2013 ('the Act') and rules made thereunder, as applicable.

Accounting policies have been applied consistently in the preparation and presentation of the financial statements,

(b) Basis of presentation

The Balance Sheet and the Statement of Profit and Loss, including related notes, are prepared and presented as per the requirements of Schedule III to the Companies Act, 2013. All assets and liabilities have been classified and disclosed as current or non-current as per the Company's normal operating cycle and other criteria set out in Schedule III. Based on the nature of products and the time between the acquisition of assets for processing/rendering of services and their realization into cash and cash equivalents, the Company has ascertained its operating cycle as twelve months for the purpose of current - non current classification of assets and liabilities. Cash Flow Statement has been prepared and presented as per the requirements of Accounting Standard (AS) 3 "Cash Flow Statements".

(c) Classification as per Companies (Accounting Standard) Rules, 2006

The Company is a not a Small and Medium Sized Company (SMC) as defined in the General instructions to Companies (Accounting Standards) Rules, 2006. Accordingly, the Company has complied with the Accounting Standards as applicable to a Non SMC.

(d) Use of Estimates

The preparation and presentation of financial statements in conformity with Indian GAAP requires management to make judgements, estimates and assumptions that affect the reported amounts of assets and liabilities, the disclosure of contingent liabilities on the date of the financial statements and reported amounts of revenues and expenses during the period.

Although these estimates are based on the management's best knowledge of current events and actions, uncertainty about these assumptions and estimates could result in the outcomes requiring a material adjustment to the carrying amounts of assets or liabilities in future periods. Accounting estimates could change from period to period. Any revision to accounting estimates is recognized prospectively in the current and future periods, and if material, their effects are disclosed in the financial statements. Actual results could differ from the estimates. Any difference between the actual results and estimates are recognized in the period in which the results are known/materialize.

(e) Rounding of Amounts

The Financial statements are presented in Indian Rupees and all values of are rounded to the nearest lakhs (Rs. 00,000), except when otherwise indicated.

1 Summary of Significant Accounting Policies

1.1 Inventories

Inventories are valued as under:

- Trading Goods (Eggs)

: At cost or net realisable value whichever is lower.

- Packing Material

: At cost or net realisable value whichever is lower.

Cost of trading goods and packing material is determined on First in First Out (FIFO) basis.

Cost of trading goods and packing material includes the purchase price and other costs incurred in bringing the inventories to their present location and condition.

Net Realizable value is the estimated selling price in the ordinary course of business, less estimated costs necessary to make the sale.

1.2 Cash and cash equivalents

Cash comprises cash on hand and demand deposits with banks. Cash equivalents comprises of all highly liquid investments with an original maturity of three months or less from the date of acquisition, that are readily convertible into known amounts of cash and which are subject to insignificant risk of changes in value.

1.3 Cash flow statement

Cash flows are reported using the indirect method, whereby net profit before prior period/exceptional/extraordinary items and tax is adjusted for the effects of transactions of a non-cash nature, any deferrals or accruals of past or future cash receipts or payments, and items of incomes or expenses associated with investing or financing cash flows. The cash flows from operating, investing and financing activities of the Company are segregated based on the available information.

1.4 Revenue recognition

Revenue is recognised to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured.

(a) Sale of goods

Revenue from sale of goods is recognised at the time when all significant risks and rewards of ownership have been transferred to the buyer as per the terms of contract, which is generally on dispatch of goods and no significant uncertainty exists regarding the amount of the consideration that will be derived. In case of any uncertainty as to the ultimate collection, revenue recognition is postponed. Amount of revenue is recognised net of rebates, trade discounts, sales taxes and excise duties.

(b) Other Income

Interest income is recognised on a time proportion basis taking into account the amount of fixed deposits and other deposits outstanding and the rate applicable.

1.5 Property, plant and equipment (PPE)

Property, Plant and Equipment's are stated at cost of acquisition less accumulated depreciation and impairment loss, if any. Cost includes all expenditure incurred necessary to bring the asset to its working condition for its intended use and is net of taxes/duties which are eligible for credit. In respect of self constructed assets, the expenditure incurred prior to commencement of commercial production and specifically attributable to the construction of the asset are capitalised upon the commencement of commercial production.

Depreciation

Depreciation is provided by following written down value method.

The Company has adopted estimated useful life of the PPE as stipulated by Schedule II to the Companies Act, 2013 for the purpose of computing depreciation.

The useful life is for the whole of the asset, except where cost of a part of the asset is significant to total cost of the asset and useful life of that part is different from the useful life of the remaining asset, useful life of that significant part ("component") is determined separately and the depreciable amount of the said component is allocated on a systematic basis to each accounting period during the useful life of the part.

1.6 Government grants & subsidies

Non-refundable capital grants towards project undertaken by the Company are transferred to revenue account to the extent of depreciation on assets acquired out of the grants.

1.7 Investments

Investments are classified into current and long-term investments based on intention of the management at the time of purchase.

Current investments are stated at the lower of cost and fair value.

Long term investments are stated at cost.

Provision for diminution in value is made to recognize a decline, other than temporary, in the value of long term investments.

1.8 Employee benefits

(a) Short term employee benefits

All employee benefits which fall due wholly within twelve months after the end of the period in which employee renders the related service are classified as short-term employee benefits. Undiscounted value of short term benefits such as salaries, wages, bonus and ex-gratia are recognized in the period in which the employee renders the related service.

(b) Post-employment benefits

i. Defined contribution plans:

The Company contributes to the following defined contribution plans:

- a) Superannuation Scheme
- b) Provident Fund scheme
- c) State Insurance Scheme

The Company's contribution paid / payable under the schemes are recognized as an expense in the Statement of Profit and Loss during the period in which the employee renders the related service.

ii. Defined benefit plans:

The Company's gratuity scheme is a defined benefit plan. The present value of the obligation under the plan is determined based on actuarial valuation. Long term accumulated compensated absences are provided for based on actuarial valuation.

Actuarial valuation is based on the Projected Unit Credit Method. The liability is measured at the present value of the estimated future cash flows. The discount rates used for determining the present value of the obligation under defined benefit plan, is based on the market yields on Government securities as at the balance sheet date. Actuarial gains and losses are recognized immediately in the Statement of Profit & Loss Account.

(c) Other long term employee benefits

Entitlement to annual leave is recognized when they accrue to employees. Annual leave can either be availed or encashed subject to a restriction on the maximum number of accumulation of leaves. The present value of the liability is determined based on independent actuarial valuation using the Projected Unit credit method. The discount rates used for determining the present value of the liability is based on the market yields on Government securities as at the balance sheet date. Actuarial gains and losses are recognized immediately in the Statement of Profit and Loss.

1.9 Operating leases

Lease arrangements where risks and rewards incidental to ownership of an asset substantially vests with lessor are classified as operating lease.

Rental expenses on assets obtained under operating lease arrangements are recognised in the Statement of Profit and Loss account as per the respective lease agreement.

1.10 Earnings Per Share

- (i) Basic earnings per share is calculated by dividing the net profit or loss for the period attributable to equity shareholders by weighted average number of equity shares outstanding during the period. Net profit or loss for the period attributable to equity shareholders is the net profit or loss for the period after deducting preference dividends and any attributable tax thereto for the period. The weighted average number of equity shares outstanding during the period and for all periods presented are adjusted for events, other than the conversion of potential equity shares, that have changed the number of equity shares outstanding, without a corresponding change in resources (which include issue of bonus shares, share splits, reverse share splits and the like).
- (ii) For calculating Diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and weighted average number of equity shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares. Potential equity shares are considered to be dilutive if their conversion to equity shares would decrease net profit per share from continuing ordinary operations. Diluted potential equity shares are adjusted for the proceeds receivable had the shares been actually issued at fair value. Diluted potential equity shares are deemed to have been converted into equity shares at the beginning of the period or, if issued later, the date of the issue of the potential equity shares.

1.11 Taxes on Income

Tax expenses/savings comprises current tax expenses and deferred tax expenses/savings.

(a) Current Tax:

Current tax expenses are measured at the amount of income tax expected to be paid to the taxation authorities, calculated by applying the applicable tax rates on the taxable income calculated in accordance with the provisions of Indian Income-tax Act, 1961. Taxable income is calculated after taking credit for tax allowances and exemptions.

(b) Deferred Tax:

Deferred tax is recognised for all the timing differences, subject to the consideration of prudence in respect of deferred tax assets. Timing differences are the differences between taxable income and accounting income for a period that originate in one period and are capable of reversal in one or more subsequent periods. Deferred tax is measured based on the tax laws enacted or substantively enacted at the balance sheet date.

Deferred tax asset pertaining to unabsorbed depreciation or carry forward of losses under tax laws is recognised only to the extent that there is virtual certainty supported by convincing evidence that sufficient future taxable income will be available against which such deferred tax assets can be realized. In all other cases, recognition of deferred tax assets is based on reasonable certainty instead of virtual certainty.

1.12 Impairment of assets

Consideration is given at each balance sheet date to determine whether there is any indication of impairment of the carrying amount of the Company's PPE. If any indication exists, an asset's recoverable amount is estimated. An impairment loss is recognized whenever the carrying amount of an asset exceeds its recoverable amount. The recoverable amount is the greater of the net selling price and value in use. In assessing value in use, the estimated future cash flows are discounted to their present value based on an appropriate discount factor.

1.13 Provisions and Contingent Liabilities

A provision is recognised when there is a present obligation as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation, and a reliable estimate can be made of the amount of the obligation. The amount recognised as a provision represents the best estimate of the expenditure required to settle the present obligation at the balance sheet date. These are reviewed at each balance sheet date and adjusted to reflect the current best estimate. The amount of a provision is not discounted to its present value.

A contingent liability is disclosed when there is a possible obligation that arises from past events and the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the enterprise. A contingent liability is also disclosed when there is a present obligation that arises from past events where it is not probable that an outflow of resources embodying economic benefits will be required to settle the obligation; or a reliable estimate of the amount of the obligation cannot be made. A contingent asset is neither recognised nor disclosed in the financial statements.

6.1 The Company has entered into an agreement in the year 2002-03 with Agricultural and Processed Food Products Export Development Authority (APEDA), Andhra Pradesh Meat Development Corporation (APMDC) and the Director of Animal Husbandry representing the Government of Andhra Pradesh for setting up a project for egg washing, grading, packing and storing facility at Hyderabad to promote export of eggs. The project is estimated to cost approximately Rs.270 lakhs of which Rs. 90 lakhs will be disbursed by APEDA as grant and the balance of Rs.180 lakhs has to be raised by the Company.

In furtherance to the implementation of the said project, the Department of Animal Husbandry has allotted 3.14 acres of land at Hyderabad in the year 2004 on lease for a period of 33 years. Pending registration of the lease agreement, the project was kept on hold. APMDC had released Rs. 21.86 lakhs to the Company as a grant in the year 2004-05 against the above mentioned project. Due to certain reasons the Government of Andhra Pradesh have cancelled their MOU vide their GOMS No.112 dated 28 November 2008. As such the grant received from APMDC together with the interest accruals on such grant is shown as a liability.

(b) Plan description: Gratuity and Compensated absences plan

(i) Gratuity (Funded)

The Company makes annual contributions to the Gratuity Fund managed by Life Insurance Corporation of India, a funded defined benefit plan for qualifying employees. The scheme provides for lump sum payment to vested employees at retirement, death while in employment or on termination of employment of an amount equivalent to 15 days salary payable for each completed year of service or part thereof in excess of 6 months. Vesting occurs only upon completion of 5 years of service, except in case of death or permanent disability. The present value of the defined benefit obligation and the related current service cost are measured using the projected unit credit method with actuarial valuation being carried out at balance sheet date by an independent actuary appointed by the Company.

(ii) Compensated absences (Non Funded)

The present value of the defined benefit obligation and the related current service cost are measured using the projected unit credit method with actuarial valuation being carried out at balance sheet date by an independent actuary appointed by the Company.
